Who is RITA and why is she sending me letters?! In this video, I'll explain everything you need to know about Ohio's In this video Rebecca goes over how to file the Are you missing out on extra cash you deserve? In this video, we dive into the Earned If you have low-to-moderate income look into the earned In this video, I explain the difference between Akron's municipal income tax, a modest levy imposed on both residents and non-resident workers, has become a focal point for households trying to gauge its impact on take-home pay and eligibility for local credits. By breaking down the rate structure, available exemptions, and refundable tax credits, this overview equips everyday Akronites with the facts needed to plan budgets and file returns accurately. Akron applies a flat percentage to taxable wages earned within city limits. Residents pay 2.0 % of their earned income, while non-resident employees who work in Akron are subject to a 1.5 % rate on the portion of their salary earned while on the job. The tax is withheld

4. Contextual Analysis (Continued)

Continuing our detailed review of Understanding Akron City Income Tax Rates And Credits, we examine secondary source materials and community-driven data points:

by employers each pay period, similar to state and federal withholding, and reported on the employee's W-2. Because the rate is flat, the tax amount scales directly with earnings—no progressive brackets or phase-outs. For example, a resident earning \$50,000 annually sees a \$1,000 city tax, whereas a non-resident with \$30,000 of Akron-based wages owes \$450. Akron offers two primary credits that residents may claim on their municipal return: Homeowner Credit. Homeowners who pay property taxes to the city can claim a credit up to \$150, reflecting the city's effort to lessen the double-tax impact on property owners. Low-Income Earners Credit. Taxpayers with a federal adjusted gross income below \$35,000 may qualify for a refundable credit of \$75, intended to relieve the tax load on low-income households.
